QUOTATIONS

In their own words

"I'm surprised that safety chains are not a thing in UK. In Canada, just about all implements have safety chains, and they actually use them."

David. · 8 reactions

"Safety chains required for towed implements recommend here in NZ..at least single item, but preferred set- up is twin, crossed chains to limited implement movement in a disconnect. each chain must be equal..."

hintonroadhero · 6 reactions

"The attitude that some people have towards risk on the roads is appalling . We sold a 6 f Dowdeswell semi mounted plough which transports in butterfly position. Chap turned up to collect this plough but had..."
