QUOTATIONS

In their own words

"You can remove the fallow after the aims have been met, or the agreement end date has been reached, whichever date is sooner."

"What bugs do you think are going to be in a legume fallow stubble that would want to spoil a following wheat crop... and frankly would applying any of the available insecticides make a scrap of difference?"

farmerm · 4 reactions

"Are you serious? NUM3 was possibly the best SFI option available. It was a win for the farmer a win for the environment and a win for the tax payer. Sown in Early Spring it flowered all summer, created a..."
